Summary

Self-taught web developer with a bachelor's degree in Arts. Skilled in building responsive and interactive front-end applications using React, JavaScript, and Tailwind CSS. Proficient in integrating APIs, managing state using Redux, and enhancing user experience. Actively use AI tools such as ChatGPT to accelerate learning and productivity. Passionate about solving real-world problems through clean and efficient code.

Education

Bachelor's Degree in Arts   Completed
Self-Taught Web Developer
Gained practical skills through FreeCodeCamp, Udemy, YouTube, and Google. Frequently use AI tools to improve learning and solve coding problems.

Technical Skills

Languages: JavaScript, HTML, CSS
Frameworks/Libraries: React.js, Node.js (Learning), Tailwind CSS
Tools: Git, GitHub, Vite, Visual Studio Code
Databases: MySQL, MongoDB (Basic)
Soft Skills: Communication, Problem solving, Adaptability

Projects

AtoZ Market   Live Demo
E-commerce frontend with login and cart system
  – Built a responsive React-based frontend for an e-commerce site.

  – Features include user login, guest access, product list, add-to-cart, and cart persistence using Redux and localStorage.

To-Do App (React)
Simple task management app
  – Users can add, delete, and edit tasks.

  – Used localStorage for saving tasks and added support for assigning tasks to users.

Quiz App   GitHub
Interactive React-based quiz application
  – Includes multiple-choice questions with score tracking and feedback.

  – Improved JavaScript logic and React state management through this project.

Color Matching Game (React)
In-progress mini-game built with React
  – Players tap a moving ball when it matches a color on a rotating wheel.

  – Focuses on game logic, real-time interaction, and dynamic UI updates.

Carryzo Logistic Website (Freelance)   Live Link
Business website for an Indian logistics company
  – Created a responsive frontend using React and Tailwind CSS.

  – Includes homepage layout, FAQs, contact form, and clean visuals.

Certifications

  – ReactJS Bootcamp — Certificate Link
